Grayling Area Place Mats Arrive Here

Table place mats made from an area map of Grayling and surrounding land in three colors have finally been delivered to Grover Cason. Those wishing to purchase them may see Mr. Cason.

A spot has been left in the upper corner of the mat where the name and slogan of any place of business may be reprinted or stamped in by rubber stamp.

It is a very fine piece of promotion literature and can easily be used as a map for tourist as well as a table place mat. One is now on display in the Avalanche office window.

Observes 60th Wedding Anniversary

Mr. and Mrs. Mose Woods observed their 60th wedding anniversary on October 12. They were married in Carleton, Michigan in 1891. Mrs. Woods was Lida LaFave before her marriage. She is 77 and Mr. Woods is 79.

They have five children, all sons, George and Elmer of Mt. Clemens and Rolie, William and Charles all of Detroit; ten grandchildren and six great-grandchildren. They also had a daughter who died.

They have lived in Grayling about 50 years, having also resided in Johannesburg and Grand Marais in the Upper Peninsula.

Mr. Woods was employed by Kerry and Hanson Flooring Company.

Mr. and Mrs. Woods received many cards of congratulations and the wishes of all for many more anniversaries.

LUTHERAN CHURCHES TO MEET HERE

Next week representatives from the following Lutheran churches: Detroit, Greenville, Muskegon, Ludington, Manistee, Grayling, Juhl and Germania will meet in Grayling Lutheran Church for a Church Workers Week End.

Out of town guests will arrive Friday afternoon and evening, November 2nd.

The meetings will be Saturday November 3rd. At 9 A. M. morning devotion by Rev. John Christensen, Ludington. At 10 A. M., "The Church Luthers," lecture by Rev. Alfred Jensen, Des Moines, Iowa.

In the afternoon the members of the different church boards will meet in the church. 1:30 P. M., "The Duty and Responsibility of the Church Board to the Church Program," Rev. James Lund, Manistee. And at 4 P. M., "The Work of the Local Stewardship Committee," Rev. Peter Thomsen, Greenville.

At the same time the Sunday school teachers from the different congregations will meet at Danabod Hall to listen to Mr. Harry Lord, Lansing. He is the Michigan State Director of Religious Education for the Council of Churches. At 1:30 P. M., "The Sunday School Teacher Prepares," using a kit prepared by Michigan Council of Churches. And at 4 P. M., "The Effective Use of Visual Education in the Sunday School."

As we feel that all interested should have a chance to hear this fine expert in Sunday School work, these meetings will be open free of charge to all Sunday School teachers from any church here that want to attend.

In the evening at 8 P. M. Rev. Alfred Jensen will show a Lutheran Word Action film, "The Turn in the Road."

Sunday, November 4th, there will be service in Grayling Lutheran Church as there will be a joint service in Messiah Lutheran Church, Roscommon, to welcome them into fellowship with the Grayling Church and the Danish Synod. The service will start at 10:30 A. M. Rev. Alfred Jensen, president of the Danish Synod, will preach. After the service the ladies will serve a free potluck dinner in Gerrish Township Hall around 12 noon.

All members and friends in Grayling that want to attend the 10:30 A. M. service at Messiah Lutheran Church, and stay for the potluck dinner should contact Rev. John Engelman before Monday October 29th, that our friends in Roscommon may know how many to expect.

Halloween Party Next Wednesday

The Grayling Schools will sponsor again this year the Annual School Halloween Party. It has been set for Wednesday night, October 31.

The school doors will open at 8 P. M. for all school children from the kindergarten through the eighth grade with games and prizes coming first. Following will be a dress-up parade with prizes for the funniest, best and most unusual costumes. The judging will be done in three different groups. Group one will include the kindergarten, first and second grades with grades third, fourth and fifth in group two, and grades sixth, seventh and eighth in group three.

The dress up parade will be followed by treats for all with "seconds" only after everyone has had "firsts." A movie will be shown to complete the evening.

Following this part of the program a costume dance will be held for the high school students with four prizes to be awarded one to the funniest boys costume and one to the funniest girls costume, also one to the boy and girl judged to be the most attractive or nicest costume.

Due to Halloween falling on a school night, school officials ask that the younger students leave for home as soon as they have had their treats and viewed the movie.

"Let's not bother folks with any more 'tricks or treats' and have this one big party instead," is the school officials plea to children.

County Road Workers Move To Unionize

A group of Crawford County employees completed plans to organize an A. F. of L. local union and affiliate with the American Federation of State, County and Municipal Employees' union (A. F. of L.) last Thursday night at a meeting at Grayling.

Adrian L. Mitten, of Lansing, Michigan, International representative of the A. F. S. C. & M. E., an affiliate of the American Federation of Labor, assisted the group in its organization work. He declared that the fundamental purpose of the organization is to promote job security for its members.

Job security, safety, and civil service and the benefits of social security for all public employees.

Mitten reported that the A. F. S. C. & M. E. was organized 15 years ago in Madison, Wis. "There are now more than 1,400 locals representing more than 100,000 public employees throughout the nation affiliated with this union," he said. Of whom there are about 10,000 in Michigan.

"The international federation is devoted entirely to the interests of city, county and state governments and employees," he said. "Its civil service department furnishes statistics and drafts civil service and retirement bills and working agreements. A library and research department are maintained by the international federation which furnishes data and statistics on wages, working agreements, hours, conditions of work, pension plans and other employment problems. A magazine is published monthly for its members. A financial statement is sent to members quarterly."

He explained that the organization gains its objectives by petitioning, creating and fostering good will to proposed reforms, co-operating with state and local officials, and promoting legislation favorable to public employees.

Officers and stewards elected are: President, Garrett Bailey, Grayling; Secretary - Treasurer, Stanley Lazarowicz, Committee men are: Leo Joutenson, David Cook, Hubert McLeod, Arthur Feldhauser and Norman Feldhauser.

Chester Lazon, Road Commissioner, Chairman, stated that the union committee and international representative met with the Board on October 19 and demanded a 10c per hour pay increase for all employees. At the end of a discussion, Tuesday, October 23 was set as the date for an answer on the pay increase demand.

The Board met Tuesday, Chairman Lazon said, and turned down any pay adjustments until January 5, 1952 when such pay adjustments have usually been made in the past.

Long Time Resident PASSES ON

Mrs. Andrew Peterson passed away at her Grayling home Monday evening at nine o'clock.

Funeral services will be held at her home at 2 P. M. on Thursday, October 25th and at 2:30 P. M., at the Grayling Evangelical Lutheran Church.

YOU CAN STILL GIVE YOUR BLOOD

Even if you have not registered it is not too late to stop in at Michelson Memorial Church today and donate a pint of blood to the Red Cross blood bank.

The clinic is open today from 10 A. M. through the lunch hour until 2 P. M., and will remain open longer if necessary.

There is no greater gift than life. You give life when you give your blood for plasma and fractions.

Plan Winter Sports Council Meeting

The East Michigan Winter Sports Council will hold a luncheon meeting at the California Inn, in Pinconning 12:30 P. M. November 8, according to an announcement made by Council President William DeWitt, of Roscommon.

Along with the 20 winter sports centers represented by the Council, all other communities interested in a winter sports program are invited to attend this meeting.

On the agenda following the luncheon are the appointment of several directors, discussion of the proposed advertising and promotion budget and the setting up of the all-important snow and weather conditions report system.

Council officers for the 1951-52 season are: President DeWitt; 1st vice president, Dr. Francis Letchfield of Pinconning; 2nd vice president, Cliff Abbs of West Branch; treasurer, Nina Buell, of Lewistown; and Secretary Frank Davis of Bay City.

Vikings Close Grid Season With Houghton Lake Friday

Rack Up First Win Over Lake City

The Grayling High Vikings at full strength for the first time since the season's opening game roared to a 25 to 6 victory over Lake City last Friday there.

They face a big, rough Houghton Lake eleven here this Friday afternoon at 3:30 P. M. to wind up the 1951 football season. The Houghton Lake Bob Cats defeated the Vikings 26 to 7 at Houghton Lake on October 5. Grayling was playing with five regulars on the bench that day with injuries, but, even so managed to put up a good game against the Cats after a disastrous first half. With the Vikings finally hitting a winning streak, it appears as though the curtain dropper of the season here Friday might be a ding-dong battle.

Suffers Near Fatal Injuries

Mrs. Eugene King is reported "improved, but still in critical condition" at Grayling Mercy Hospital after suffering near fatal injuries last Friday night. Over the weekend, her condition was such as it was felt at times that she would not survive.

The injuries occurred in the office of King and Son on the south side in Grayling. How they occurred is now under investigation by the Prosecutor's Office and the Sheriff's Department.

What can be reported definitely is that Eugene King phoned Sheriff William Golnick Friday night asking him to come to his office immediately which the Sheriff did. Upon his arrival he found Mrs. King seemingly unconscious on the floor and with no perceptible pulse or respiration. He phoned for the ambulance and Mrs. King was rushed to Mercy Hospital.

Her story of what happened and that of her husband's conflict and investigation of every detail is being made to discover the true facts of the case. King has offered to undergo a lie detector test at State Police headquarters at Lansing and this may be done Prosecutor Charles E. Moore said today.

Mrs. King says upon being questioned by Sheriff Golnick and Prosecutor Moore that her husband inflicted the injuries upon her while her husband states that she injured herself while hysterical.

District Hospital Council Meets in Grayling

The North Central District Hospital Council held its quarterly meeting at Grayling on Thursday, October 18 at the Shoppengans Inn with about 35 in attendance.

Hospitals represented were Cadillac, Alpena, Traverse City, Petoskey, Frankfort, Rogers City, Cheboygan, Charlevoix, Gaylord, West Branch and Grayling. Those attending were administrators, nurse directors and office managers.

Among the interesting talks was one on the subject of "The Medical Staff and the Administrators Relationship" by Frank J. O'Donnell, M. D. of Alpena. Group discussion followed his talk.

Luncheon was served at the Inn at noon, followed by a talk on the "Crippled Children Commission and the Hospital" by Mrs. L. I. Walter, chief hospital account examiner for the Commission. A group discussion was held following the talk with the business meeting following. Walter A. Nowak of Alpena, president of the council, presided at the meeting.

Marlin Flint Joins Bureau Staff

Martin Flint, formerly of Manistee has moved to Grayling to fill the position in the Bureau of Social Aid vacated by Mrs. Esbern Olson who resigned October 1st after serving six years as administrator of emergency relief and twelve years as supervisor of the Bureau of Social Aid in Crawford County.

Mr. Flint is married and has a four year old son. They are making their home at the Norris apartments.

Another recent addition to the Bureau is Miss Eunice Sutherland, child welfare worker who makes her home in Roscommon. Miss Sutherland spends one day each week at the Grayling bureau and two days each week in the Roscommon and Lake City offices.

Youth Jailed On 2 Liquor Counts

Leon Nelson 19, of Grayling was sentenced to 30 day jail sentence and a 60 day jail sentence by Justice Larry Galehouse, Monday morning when he pleaded guilty to two separate charges.

Nelson was charged with using an army discharge paper to falsify his age and purchase liquor and then contributing to the delinquency of a minor when he allowed an underage minor to consume some of the liquor he purchased.

He was also assessed court costs of \$17.10 and ordered to serve an additional 10 days in jail if it was not paid. He was arrested by Sheriff William Golnick.

Over 100 Attend Higgins Lake Meet

Over 100 members of the Grayling Woman's Club and the Kiwanis Club of Grayling and their wives and husbands attended a meeting Monday evening at the Higgins Lake Conservation Department Training School.

After enjoying a fine roast pork dinner, the group adjourned to the school's lecture hall to hear several fine talks and movies on outdoors activities and conservation.

Mrs. William Joseph is president of the Woman's Club, while Ray O. Milnes is president of the Kiwanis Club.

Accidents Damage Cars, No Personal Injury

Two automobile accidents occurring over the past weekend badly damaged two vehicles but neither driver suffered personal injury.

Royal A. Wright of Grayling escaped injury Saturday evening when driving on the downriver road at about 7:30 p. m. His car hit a deer but in an effort to avoid the animal he lost control of the vehicle and hit a pole. The car was badly damaged.

Theodore John Kolka, 18, of Grayling very fortunately escaped injury on Monday afternoon when he lost control of his car and went into the AuSable River, about one-half mile west of Grayling on M-72. Kolka's car went into a skid after rounding a curve on the blacktop. The road was wet and is very slippery under those conditions. The car went into the river just missing a tree on one side and the bridge abutment on the other. The car was badly damaged but Kolka escaped injury.

The accidents were investigated by Sheriff William Golnick.

Prominent Gaylord Man's Death Ruled Suicide

Chris Friberg, 67, well known Gaylord lumberman and well known in Grayling died Monday by suicide, police said.

Dependency over ill health was believed the cause. He shot himself with a 30-30 rifle during the absence of his wife who said that Friberg was suffering from cancer of the bronchial tubes.

The wife who survives is the former Mollie Johnson of Grayling, sister of Carl and Clarence Johnson of this city.

Questions Concerning Blood Plasma

What is the purpose of the Michigan State Plasma Program?

To furnish plasma and plasma fractions to all citizens of Michigan who need them.

What are the charges for these products?

There is no charge for any of the products, however, there will be a charge made by your doctor or hospital for professional services and supplies incidental to their use.

Does the blood have to be replaced by friends or relatives?

It is not required, but the continuing success of this program is dependent upon adequate support by the citizens of each county.

Why can't local blood banks make plasma?

The equipment, personnel, and testing required to produce safe plasma are too extensive for most hospital blood banks.

How much plasma is used in the state of Michigan?

About 20,000 units a year.

Can any citizen in Michigan participate in this program?

Yes, upon application of the County Medical Society.

10th District 40 & 8 Grop To Meet Here

Alfred Hanson, Grayling's only member of the American Legion's organization, 40 & 8 will play host to between 40 and 50 members from the 10th Congressional District this Sunday.

The meetings will be held at the Grayling Post 106, Legion Hall with a dinner in the hall dining room served by Mrs. Helen Koivich.

In California

Jean Patricia Martin, daughter of Mr. and Mrs. Nicholas J. Martin, and William James Muhr, son of Mr. and Mrs. Frank Muhr of Grayling, Michigan, exchanged vows at a nuptial Mass held in Our Lady of Angeles church on Saturday, September 1, at 9 a.m. in San Diego. Most Reverend Charles F. Buddy performed the ceremony and celebrated the Mass.

The bride, who was given in marriage by her father chose a gown of white satin featuring a lace bodice and jewel-trimmed neckline. Her finger-tip length veil of net was edged with wide lace. She carried a bouquet of gladioli and stephanotis.

Matron of honor, Mrs. John Matthews (Marylyn Hicks) wore a green satin and lace and carried a colonial bouquet. Bridesmaids, Mrs. O'Neill P. Martin, sister-in-law of the bride and Miss Grete Nansen, cousin of the bride, wore orchid satin and lace and

HOW MICHIGAN'S MOST POPULAR HEALTH PLAN WORKS

It protects 2,400,000 people in this state against hospital and surgical bills for a few cents a day per person. Here are the facts:

① When sickness or accident strikes... If you are a member of Blue Cross-Blue Shield Comprehensive Group Plans, you need only to show your membership card to be admitted to any one of 192 Michigan hospitals participating in these plans. There's no delay—no red tape—no advance deposits. You are free from financial worry—and all you pay is a few cents a day.

② Michigan's hospitals and doctors cooperate with Blue Cross-Blue Shield. Guard against today's high cost of sickness with Blue Cross-Blue Shield. It's the best protection at lowest possible cost—the hospitals' and doctors' own NON-PROFIT HEALTH PLANS for the welfare of the public.

③ You get more benefits with Blue Cross-Blue Shield Comprehensive Group Plans. For example, Blue Cross covers up to 120 days of hospital care... no cash limit for a wide range of hospital "extras" including drugs and dressings, physical therapy, etc. Blue Shield pays liberal stated amounts to your doctor for more than 480 surgical procedures.

④ This year one out of every nine persons will go to the hospital. Unexpected bills can mean the end of hard-won family savings. Often it's necessary to go into debt to meet them. That's why no one can afford to be without Blue Cross and Blue Shield protection—protection that costs so little and can save you hundreds, yes, even thousands of dollars.

Ask your employer today about installing the Blue Cross-Blue Shield program where you work. No physical examination or health statement required. Companies with as few as five employees may be eligible for Blue Cross-Blue Shield Comprehensive Group Protection.

Lovells News

Russell Caid and twins, Vern and Melvin, enjoyed a few days bird hunting around Lovells the past week.

Congratulations are extended to Mr. and Mrs. Don Lebzelter of West Branch on the arrival of a new son, born last week.

Cheerful Givers will meet with Mary Miller Thursday evening.

November 1st. Ten members of the club met with Mrs. C. Stillwagon Monday night and tied off a comforter to be sold at hunting season.

The Pete Eggesbergers and Harold Lynches were at their cabins over the week end.

Mr. and Mrs. Roy Scott have had as a guest Miss Smith, the latter's sister from Hamilton, Ont.

Mr. and Mrs. Richard Coven of Ann Arbor spent the week end at their cottage east of Lovells.

Mr. and Mrs. Noton and son of Birmingham and Mr. and Mrs. Reese and daughter and Mr. and Mrs. Peterson and daughter of Ann Arbor enjoyed a weeks stay at John's cabins.

Harry Leviton and family were up from Detroit to enjoy a few days try at the bird hunting.

Mr. and Mrs. Bill McCann and father, Bretz of Detroit were the guests of the Ken Cavanaugh at Shu-Pac Lake for the week.

Mr. and Mrs. Joel Hine and Earl Gudakunst were guests of the Howard McCanns.

G. R. Olney had good luck in his bird hunting. Opening day he got his limit in partridge and woodcock.

Guests at the Olney cottage this week were Frank Collins and Fred Rehms of Detroit.

Friends were extending birthday congratulations to Archie Feldhauser Saturday evening. Although the Feldhausers live in Grayling now, we still think they are Lovellites.

Maryda Stillwagon spent the week end with her grandparents.

A number of young friends were invited to the Tommy Morris home Saturday evening to help Miss Bernice celebrate her 15th birthday. A nice time was had by all. Happy birthday, Bernice.

Spend, Spend, Spend!

Raymond Moley devoted one of his recent News-week columns to Senator Paul Douglas' valiant and almost totally unsuccessful effort to wring a little of the water out of the Federal budget. In conclusion he wrote: "It will take more than name calling, phony statistics, and wisecracks by the President to dissipate the feeling over this country that since people are being forced by higher taxes to practice self-denial, the government should set the example. All through the country there are too many glaring examples of Federal extravagance to escape notice. The country is a rich one, but it cannot stand military expenses of the size that will be essential, unless there is economy in non-military spending. Taxes will not suffice, and inflation must be the deadly harvest."

Every proposal to economize has been steamrollered to death in Congress. That is true of the huge rivers and harbors bill, which is the pork-barrel deluxe. It is true of such lesser matters as Senator Douglas's proposal to abolish the old practice of maintaining, at the taxpayers' expense, a free barber shop for Senators. The number of Congressional voices which have been raised against waste are pitifully few, and can hardly be heard over the roaring "spend, spend; tax, tax, tax" chorus.

If there is any better way to destroy a country from within than to countenance waste, extravagance and corruption in government, no one has thought of it. The people are being bled white by taxes now, and the incentive to work, to save, and to achieve is being destroyed. If we keep on going in the present direction there can be only one end—and that is national bankruptcy and national ruin. It happened to great empires of past times. It can happen here.

One invention Russia hasn't claimed is the lie detector.—The Wall Street Journal.

Double Surprise for a lot of folks

EVERY time we publish the price of a Buick, it seems to surprise a lot of people, because they come in and tell us so.

They just can't believe that so little money buys such a lot of car—but it's a fact, as the prices published here will prove.

And that brings us to the second surprise—which is how much power and performance—how much comfort and room—what a long list of standout engineering features you get for the price.

Take power. You'll find that no other car at the price of the Buick SPECIAL pictured here delivers the horsepower you get from its high-compression, valve-in-head Fireball Engine.

Take comfort. The best thing to do is try the depth of its seats—their width—and the headroom you get in this Buick SPECIAL, and judge for yourself.

Take the ride. This Buick has big soft coil springs on every wheel, plus the solid firmness of a torque-tube keel—and the way this combination smoothes the bumps is something that's hard to match in cars costing a thousand dollars more.

Take the way it steers. Buick engineers have given this light-handling beauty a special "front-end geometry" that almost does the steering for you—even brings the front wheels back to a straight line when you come out of a turn.

And you can add to all this Dynaflo Drive—that puts magic smoothness into every mile you drive—and practically repays its extra cost by the way it protects the whole driving mechanism, and by the dollars it adds to trade-in value.

So if you have been hoping, some day, to own a Buick—what's holding you back? If you can afford any new car—better see us now.

Equipment, accessories, trim and models are subject to change without notice. O'Randall on ROADMASTER, optional at extra cost on other Buicks.

Be Alert For The Careless Pedestrian

Will YOU be the nation's millionth traffic victim?

Chief John Papendick today asked that question of every citizen of this city.

"This month or so, time next

month," he said, "motor vehicle traffic will claim its millionth victim. It could be somebody here in Grayling. It could be you, or a member of your family. Or if you are not a traffic casualty, you as a driver could cause that millionth death."

"It's not a pleasant thought. But it's one way of saying — drive

carefully, observe the traffic laws, and, on these dark days, walk with extra care."

Chief Papendick issued the forceful reminder as part of the continuing effort to save lives and prevent injury and loss from traffic accidents in Grayling. Special emphasis this month is being placed on pedestrian safety, the November state-wide emphasis program sponsored by the State Safety Commission.

"When motor vehicle fatalities pass the million mark," said Chief Papendick, "it will mean this country has had twice as many people killed in traffic as in all nine of the wars we have fought. It means an average of 20,000 traffic deaths a year for 50 years. That is a terrible price to pay for the convenience of the automobile and it will be even more terrible to you if one of these deaths or some lasting injury happens to a member of your family."

The all-time high traffic toll came in 1941, when almost 40,000 persons were killed in motor vehicle accidents.

There have been fewer traffic deaths in the post-war years," said Chief Papendick, and credit must be given to the widespread efforts to save lives. All of us working together, every driver and pedestrian, as well as thousands of individuals and organizations, can hold down the toll.

This is the danger month for the pedestrian. He is hard to see and he doesn't know it. Nearly 8,000 pedestrians were injured and more than 400 killed in Michigan last year. Almost twice as many were killed in November as in the summer months.

"Last year there were 35,000 traffic deaths, and so far in 1951 the toll is increasing as more cars and more drivers cover more miles than ever before."

"That millionth death probably will happen in December, but it can be postponed if we all drive and walk with extra care."

"Don't YOU be that one in a million!"

P.C.A. Annual Meet Set For November 10

The Board of Directors of the Gaylord Production Credit Association has selected Saturday, November 10th, as the date for the Annual Stockholders meeting. At the meeting the association, the local cooperative credit association serving farmers in Alpena, Antrim, Charlevoix, Cheboygan, Crawford, Emmet, Montmerency, Oscoda, Otsego and Presque Isle counties, will feature the progress it has made since it became member-owned.

Back in 1933-34, the Federal government helped the production credit associations of the Nation, including those in the four states of this district - Michigan, Wisconsin, Minnesota and North Dakota - to get started by providing most of the capital. The balance of the capital was obtained from the farmers themselves who invested in the capital stock of their local cooperative credit association when they borrowed money to finance their production and operating costs.

The production credit associations were organized to provide farmers with a source of credit adapted to their special needs. They are not solely dependent upon local funds. Most of the money is obtained from private investors through the sale of debentures by the nationwide system of Federal Intermediate Credit Banks. As the Production Credit Associations grew, the farmer-owned capital and earned reserves accumulated, and the PCAs gradually began to retire the money advanced by the government.

Today, 25 of the 54 production credit associations in the 7th district have entirely repaid the government and are solely owned by the farmer - members. This fall 11 of the remaining associations will follow suit.

"The Gaylord PCA is already member-owned, and the board of directors, members, and office personnel are proud of its 18-year record of serving farmers in the community.

At its annual meeting, to be held in the V. F. W. Hall at Gaylord, reports of last year's achievements will be given. "The public is cordially invited," said Secretary Townsend.

On Sept. 30, the Gaylord PCA had 800 members and the amount of loans outstanding was \$479,000.

Frederic News

Mr. and Mrs. Tim Webb George Palmer of Flint called on old friends last Thursday.

Mr. and Mrs. Kenneth Allen and son, Freddie, spent Sunday with the Thompson family at Atlanta and enjoyed a nice birthday dinner, it being their daughter, Doreen's birthday.

Mrs. William Leng returned Thursday from two weeks vacation with relatives in Detroit and Ohio.

October seems to be a real birthday month for many of our little folks as another party was held Saturday for the three sisters Sharron Kay, Karen Sue and Mary Beatrice Lodge at the home of their parents. 28 little boys and girls being there and of course that meant three birthday cakes. Games were played. Pictures taken and a nice lunch was served by their mother, ice cream and cake, cool ade and candy favors. The girls received nice gifts and all went home happy 'till another year.

Don't forget the dance at the school gym Friday evening, October 26, given by the Frederic Seniors. Join them and have a good time and help the seniors out.

Mary B. Lodge had the misfortune of being struck in the cheek Saturday afternoon by a playmate who had a B. B. gun, but hope not seriously hurt.

George Bindschattel who is employed at Saginaw spent the week end with his family here.

Bettie Lou Barber who is employed at Luzerne had Tuesday off from work so spent the day with her folks here, but returned to her work Wednesday morning.

Mrs. Ethel Nelson and friend of Gaylord visited her parents, the C. S. Barbers Sunday afternoon.

Mrs. Leo Post was absent from her duties at the shop a couple of days with a bad cold. Hope nothing serious, Helma.

Mr. and Mrs. E. A. Corsaut have returned from their visit at Royal Oak, Mich.

Who said it wasn't going to rain any more.

Maple Forest

A community party was held at the Town Hall Saturday evening. We enjoyed the films, "50 Years of Automotive Progress," "Men and Oil" and "We Drivers" and our special thanks to Mr. Bob Schrandt of Frederic, who showed them, also to Charles Owen, who made the arrangements. A very delicious potluck lunch was served.

Several members of Maple Forest attended the District Home Ex-

Following the discussions of ABC action on a team or individual basis which is optional this year a vote was taken and it was voted to adopt the Individual plan the dues were set at 75c per person and sanction cards will be passed out to the team captains in the very near future. Of this 75c a total of fifty cents will be remitted to the ABC offices and twenty five cents will remain in the City Association treasury. In the two Roscommon leagues the team captains will collect the 75c from the individual bowler and in the Grayling league which has always paid the sanction fee of \$2.50 from the \$10.00 entry fee, all ABC dues of fifty cents per person will be paid from the entry fee and the remaining twenty five cents for the City Association portion will be collected from the individual bowlers. ALL NEW BOWLERS IN THE GRAYLING LEAGUE starting from this date will pay the entire seventy five cents sanction fee.

Tournament dates were set with the closing date for entries to be Feb. 1, 1952 and the tourney getting under way three weeks later. NOTICE, the cost of entering the tourney will remain the same as in the past, namely \$2.25 per event. Even though the cost of bowling has increased the directors voted to leave the cost the same and not award individual trophies for winners in the City Tournament, the ABC will however award chevrons to winners in the team, doubles, singles and All events and all prizes to be paid by the Association will be in cash thereby increasing the amount of cash prizes.

By unanimous vote the present officers were re-elected for another year, Ralph Schaeffer, Jr., President; Al Cherven, Secretary. The President and Secretary gave a report of the Annual Meeting of Michigan State Bowling Association Presidents and Secretaries which they attended in Ann Arbor recently.

Following the business session the directors present enjoyed a social hour with refreshments and a Dutch lunch.

National Accident Chart Proves Shotgun Dangerous

A chart of national statistics of hunting accidents all over the United States during 1950 compiled by the National Rifle Association proves quite conclusively that the shotgun is just as dangerous as a rifle. The chart was received here by Conservation Officer Clarence Roberts who allowed the Avalanche to borrow it for a time.

During the 1950 hunting season there were 12,626,539 hunters in the nation's woods and fields. There were 832 hunting accidents, 173 fatal and 659 non-fatal. Shotguns were responsible for 516 of the total. Self-inflicted wounds accounted for 229 of the accidents with 584 persons being killed or injured by others. 358 of the persons killed or injured were wounded by intentional discharge of the firearm while 147 of the victims were unseen by the shooter at the time he pulled the trigger. 86 persons were mistaken for game while 71 were injured by bullets or shot fired by excited hunters swinging on game. 22 hunters victims walked into the line of fire. 378 casualties were caused by accidental discharge of weapons.

By accidental discharge 66 were wounded or killed from stumbling or falling, 33 while removing the weapon from a vehicle or boat while 20 were wounded when the weapon fell from an insecure rest. 16 were injured while climbing a fence with 1 the score from loading and 9 from unloading weapons, 19 from trigger catching in the brush and 11 more who didn't know the weapon was loaded. Accidental discharge caused 378 casualties with 160 of them fatal. While hunting deer 131 were wounded by rifle while only 37 were wounded by shotgun. However the percentage of types of weapons used in deer hunting should be taken into consideration. While hunting pheasants, for instance, 106 were wounded by shotguns and none by rifles.

A special legislative committee will recommend establishment of a state operated car ferry between Frankfort and Menominee at the next session of the legislature.

Michigan county employees made salaries a factory sweeper would laugh at. Nearly half the county clerks, treasurers and registers of deeds get less than \$3,000 a year.

A forecast of 23,000 more unemployed Detroit automobile workers has followed announcements of new and drastic cuts in passenger car production in the first three months of 1952.

At the same time, pirating of scarce technicians by war contractors in Detroit and elsewhere has developed to a point as to alert defense chiefs for possible crackdowns. The wage stabilization board is considering a plan to halt the shanghaiing of men from one employer to another.
